

PRAY FOR THE Sinde Family IN GREECE

October 2023

SIX MONTH FURLOUGH SUMMARY

Our 6 month furlough was amazing and we are so thankful for all the opportunities we had to share what God was doing in Greece with you all. While we were stateside, we traveled over 20,000 miles and got to report to so many churches, some we haven't been to in over seven years. We are so thankful for the Quinlan Family for taking care of the ministry in our absence and our in-laws absence. This allowed us to be stateside together and get to celebrate my in-laws 30 years as Missionaries at the National Fellowship meeting in California. It was also a huge blessing to get to be together as a family with Cristina's brothers and parents for the first time in 7 years.

EXCITED TO BE BACK IN GREECE

We arrived in Greece October 8 and hit the ground running. We are thrilled to be back on the field and where our heart's desire to serve God here. It's hard to believe we have been back in Greece for a month already. Since our last prayer letter **50 saved and 44 baptized**. It is amazing to be a part of this ministry and see God work in the lives of the people here.

YOUTH GROUP

Before we left in April for America for our six month furlough a lot of the kids from the youth group moved on to other countries. We have been praying for the past six months for God to give us opportunities when we come back to rebuild the youth group. Since we have been back, God has opened the door and brought 4 new kids to our first outreach two weeks ago. This past Saturday we had another outreach of Fall Festival Pumpkin Carving and God doubled that and 8 new kids showed up. We were amazed of how much the kids loved it. We even heard from some of their parents that they saw a difference in their kids from the first day they came. **Please pray with us that these kids keep coming and that they will get saved and bring their parents to church as well.** Our heart's desire is to see lives impacted with the Gospel.

KIDS' EDUCATION

Thank you to all those who have invested in our kids' education. It's officially paid off. Praise God! It's hard to believe Amalia is in 11th grade, Sofia in 7th Grade, and Benjamin in 4th Grade. These kiddos have been such a blessing during our furlough. We love seeing how their heart for the Lord continues to grow.

HUGE PRAISE & ANSWERED PRAYERS

A few days ago **Benjamin accepted Jesus as his personal Savior, Praise the Lord!** This has been our prayer as parents and we are so thankful for the opportunity in leading him to Christ. He said that since we have been back to Greece he felt that something was missing in his life and now he knows why. Thank you for your faithful prayers for our family and especially for our kids. We pray that God will continue to work in their lives and use them for His glory.

Thank you for your faithful prayers and support,

James & Cristina
Amalia, Sofia, & Benjamin
