February 2024 Prayer Letter

- **February Blessings at Truth:** Another month is in the books! Praise the Lord for another good month of serving the Lord. We had good church services, and God blessed us in multiple ways. We started a senior Bible study group (basically a Sunday school class) on Thursday afternoons at 2 pm. Some of the older people who attend the church would not feel comfortable coming to our mid-week service on Thursday nights because of having to be out after dark but have seemed to enjoy having Bible-study time on Thursday afternoons. We had a youth Bible study and bowling activity on a Monday afternoon this month (during the Mid-winter school break) and had a good turnout for that as well. Praise the Lord. Pray for God to help us reach the younger generation with the Gospel. This month, nine first-time visitors came to church. On the last Sunday of the month, we had two people get baptized! Both professed having trusted Christ as their Savior before us meeting them, but through discipleship realized their need to be Biblically baptized.
- **Fresh Meadows:** The church plant in Fresh Meadows has been up and down this month. We had one Sunday service with four first-time visitors, which was a great blessing. On the rest of the Sundays, no first-time visitors came. Pray for the salvation of Winston and Eric, two Chinese men, who are coming to the Wednesday midweek Bible study at the church. They both are still showing interest in the Gospel. Pray for them to trust Christ as their Savior!
- **Prayer Requests!** We have several things we would like to ask prayer for this month! Please pray for God to bring more new visitors to the Fresh Meadows church plant who would be willing to study the Bible. Pray for the members at Truth to have boldness and a burden to witness to people around them. Pray for God to help us train them in evangelizing the lost. Pray for God to call men to full-time ministry. Pray for God to help Nancy and me to have joy and strength to serve the Lord each day! Thank you for praying for us.

Due to our ongoing ministry in a creative access country, please don't read this prayer letter during any live-streamed service or upload it to any online platform for security reasons.
