PASTOR RICKY GRAVLEY

Dear Faithful Co-laborers in Christ,

GOD IS FAITHFUL!! He has sustained us along the way just as He promised He would. Since our last letter, we have picked up three more supporting churches and traveled to several states. In January we saw beautiful Amish country in Pennsylvania and were in Ohio and Virginia and South Carolina as well. Then in February we traveled to Tennessee, South Carolina, South Georgia and all the way down to Tampa, Florida. The fuel pump gave out one Sunday afternoon right before we were leaving to come home. Thank the Lord we were able to stay another night at a prophets chamber and be on the road the next day. What a blessing that the van did not break down while on the road. God was definitely watching out for us!

We are more fired up and encouraged than ever before! In between deputation meetings, during the week, I've been receiving valuable hands-on-training in the prisons. For instance, I taught my first Character Under Construction class at Century Correctional Institution in Florida. It

was there that I
also held
my first

dedicated Spanish service. I rejoice that I was able to encourage, strengthen, and bond with both a Peruvian and a Cuban brother in the Lord while there. There is nothing like sharing the Holy Scriptures with one another!

The last week of February, I had the privilege of conducting Spanish services for three days at Kilby State Prison near Montgomery, Alabama. What a blessing it was to accompany my ROA directors into prison and watch them evangelize! We all went dorm-to-dorm and cell-to-cell evangelizing. Forty-eight souls at Kilby were saved!

PRAISE THE LORD!! Two inmates, Sergio and Fernando (who attended all three nights of Spanish services) received Christ on the last night of the services. They had trusted in "a change" or "turning over a new leaf" to get them to heaven. God opened their eyes and let them see that salvation is not a religion, but a relationship. If you could only have been there and seen the utter peace on their faces, you'd be revived like I am right now. Three other hispanics in the room burst out in spontaneous praise upon seeing their "compadres" receive Christ.

PLEASE PRAY THAT WE WOULD BE ABLE TO GET TO NEW MEXICO SOON! With fifty-nine percent of the prison population there being Hispanic, the need is VERY great in the prisons of the Southwestern United States.

Thank you for your faithful prayers and financial support!
