

Caleb & Lauren Lankford

Serving in Japan with Mustard Seed Network

Lauren, hailing from Wichita, Kansas, and Caleb, originally from Warwick, Rhode Island, were raised in different regions but both with a desire to share the gospel with unreached people. Their paths converged at Ozark Christian College in Joplin, Missouri, where they discovered their shared passion for ministry to the unreached through serving refugee children and in church plants. Having married in 2022 and graduated from Ozark Christian College, Caleb and Lauren are now excited to partner with the mission and work of Mustard Seed Network, teaching people in Japan to know and follow Jesus.
