February 2024

Greetings Pastor and Praying Church,

The work continues to move forward with another great month behind. Thank you for your faithful prayers and financial support!

Pray for the community of Nipawin. There has been a change of leadership, with our new mayor Marlon Zacharias. Please pray that he will be able to help the community to make some good changes as the gangs and crime rate has increased since the pandemic. We are praying for a great spiritual change and only the Gospel of Christ Jesus can change the hearts of man.

There are two things which happened from the end of January to February. We regularly have a young people's outreach where we minister to those we reach out too on a regular daily life. The Lord has been growing this ministry with those who are lost and the saved who are attending. There is something that draws them to come back, and it is the Lord who works in our heart and mind that shines in and through us, which continues to reach out to them. Please pray that we continue to be sensitive to the Lord in our life that others may see Jesus. Praise the Lord for 21 young people in attendance.

Toward the end of February we had a family night. It was such a blessing to see all those the Lord continues to bring our way to minister to of His grace unto them. It was a great time to build relationships with all the parents and young people who came. Please pray for God's continued work in their lives.

**Family:**

The family is doing well. We have been enjoying a mild winter although we did just get a lot of snow. It isn't very often that you get most of your snowfall in March. It is expected to warm up again in about a week's time, so the snow won't last long. Please pray for Samuel as he trains to become a registered nurse. Please pray for the rest of the family as we seek to do God's will here in Nipawin.

**Please pray:**

- Grace and Light Baptist Church would make a great impact in the community, that the church would grow
- Pray for the families attending church that they would be encouraged and follow the Lord's will
- Shelby – Salvation
- Christopher Smallboy – Spiritual trials
