SEPTEMBER MINISTRY REPORT

OCTOBER 1, 2023

Dear Praying and Financial Partners,

We want to praise the Lord for your continued prayers and support of our family and Boulder Valley Baptist Church. September was a wonderful month of ministry, as we continued to see our folks become more faithful to weekly church services. It was also a blessing to see many catch the vision for reaching Boulder for Christ. Many have shared opportunities they have had to share the Gospel. John and Emilie, and Alam have become faithful in weekly outreach on Saturdays, Dale continues to go to the trails passing out tracts and bottles of water, and Janie has been passing out tracts as she rides the bus around town.

Speaking of Janie, she was one of our first regulars to attend church two years ago, but over the last year, we would rarely see her. Just recently, the Lord has really been working on her heart, and she has been to nearly every service since the beginning of September. She is experiencing freedom from alcohol and drugs, and is making right choices to move forward with the Lord. We are rejoicing in God's work in her life.

I ask you to please continue praying for Lynsey. Through our Sunday night series on worldview issues, especially after spending several weeks on creation and science, Lynsey recently said she definitely believes in God more now than she did in the past. She has been very faithful to services and has even helped us with outreach on several occasions. Please pray for God's Word to confirm in her heart that He is real and that He will save her through faith in the Gospel.

We have had several CU students visit over the last couple of months including John, Caden, and Asher that I've mentioned in previous reports. While we have not seen them come back yet, Hannah has picked up Natalie nearly every Sunday since the beginning of September. Please continue to pray for her spiritual growth and for doors to open at CU.

I would also ask you to continue praying for Tracy, whom we met door to door back in August. Hannah maintains regular contact with her, but we have not seen her come back yet. She has a lot of questions about God and particularly suffering. So please pray for her salvation.

Our weekly lunches at Doug's Diner have facilitated some great relationships thus far. Hannah has had opportunity to share the Gospel with a lady named Mesh who is interested in coming to church, and we recently met a waiter named Hector, and we've been able to share the Gospel with him. Please pray for the Lord to continue to work in hearts and help our family to be a light to this community.

In October we are having our first Global Impact Month where we have church planters and missionaries coming to present their ministries throughout the month. We will be receiving our next Faith Promise commitment at the end of October. So please pray for the Lord to burden the hearts of our people for world missions. However, we are not just focusing on world missions and church planting in other places. We are also focusing on reaching our own community for Christ as we have Local Impact Sunday. That week we are having our first Boulder Love Week, which is a missions trip to our own city. We will have opportunities for door to door outreach every day, and Saturday we are feeding our local police station and delivering gift baskets to our fire stations. We will finish that week with Friend Day. Please pray for this to be a fruitful season of ministry for our church and the city of Boulder.

Thank you again for your faithful prayers and support. We look forward to sharing next month what God does through our Global Impact Month.
