

## What Can The Digital Missions Display Do?

1. Providing a central hub of information related to missionary work and activities.
2. Displaying regular updates, prayer letters, images, and videos from missionaries for easy access.
3. Encouraging interaction and engagement among church members and missionaries.
4. Providing a platform for visitors to learn about missionaries and their work.
5. Offering customizable displays that match the church's branding and individual missionary needs.
6. Facilitating communication between church members and missionaries through QR code support.
7. Enabling visitors and church members to send messages or share photos with missionaries.
8. Supporting missions education and awareness by sharing information about various mission fields and opportunities for involvement.
9. Promoting transparency and accountability in missions work by providing regular updates and direct communication channels.
10. Helping churches to be more efficient and effective in their support of missionaries by providing a centralized system for managing and distributing information.
11. Enabling churches to track and monitor the progress of their missionaries and the impact of their support.
12. Offering a tool for churches to attract new members by highlighting their mission work and engagement with the global community.
13. Providing easy access to current and historical information about missionary work.
14. Facilitating communication between missionaries and their supporters.
15. Encouraging prayer and financial support for missionaries.
16. Providing a platform for sharing stories and testimonies from the mission field.
17. Offering support for multimedia content, including videos, audio recordings, and images.
18. Allowing visitors and church members to interact with the display and access information in an intuitive, user-friendly way.
19. Helping churches to stay connected with their missionaries and the work they are doing in various parts of the world.
20. Encouraging unity among believers by keeping missions at the forefront of their minds and providing a way for them to support their missionary partners.
