Update: March, 2024

Beloved Brethren,

The month of March has been very busy. God filled every service, even on Wednesdays. We have many things to write to you about in this short letter. We are thankful for what our Lord is doing on our deputation trail.

First, I would love to mention that Obadiah is growing strong in the womb. He is healthy and very active. Hannah has now entered into her 3rd trimester. We now begin going to the doctor every two weeks. This may get challenging due to travel, but the Lord will help us.

God has been blessing us left and right. We saw our support go from 17% in February to 23.5% in March. I must remind you that we were sent out from our home church on October 1st. The Lord has continued to provide for us. It is not because of our faithfulness; it is all because of His! We believe that, and we know it to be true.

We are in a missions conference this week until the 3rd of April. We are only an hour away from our home, which is nice considering we have to pack for Oregon the very next day. Again, we really bless the Lord for all He is allowing us to do. We fly to Redmond on the 5th of April. We are asking God to get us to 25% before we land. This is one of our quarterly trips we take. Brother Ben and I plan to evangelize in the streets of Redmond on Monday the 8th and 11th. We plan to also canvas some places in Portland on the 9th. Please pray for us as we try to be a witness for the Lord Jesus Christ.

While we are out there, Hannah and I will get to celebrate our anniversary on the 10th. What joy there is in being able to celebrate our marriage on the mission field. That will be our 4th anniversary. We are looking forward to the years to come! Thank you for your support prayerfully and financially. May the Lord bless you.

Resting in Christ,
The Wahnnon Family
