Update: April, 2024

Beloved Brethren,

The month of April was busy, and we are thankful to God for it. We will try to relay in good fashion what transpired during the month. The Lord provided many meetings, allowed us to work in Oregon, and blessed us with the growth of our son in the womb.

This past month, the Lord allowed us to see our support rise. We were at about 23.5%, and God has now given us 26%. This is a great blessing. We made many new friends, and we are thankful to have crossed paths with many of you. We often say this in our letters, but we mean it every time. Thank God for His churches. What would we do without the body of Christ? It is good to be saved.

On April 5th, we flew out to Redmond and stayed with the Cooley family for a couple of days. We appreciate them and their desire to help us. We were in Oregon for a week. Brother Ben (the man we are teaming with) and I were able to hold signs on the side of HWY 97. Hundreds were able to read and see the true gospel. Please pray for the souls that read the scriptures, that God would work in their hearts. Something interesting happened while we were there. I met two of Jehovah's False Witnesses. Many may not know, but I have a burden for these people. While meeting the last one (his name was David), I learned that in Redmond, there is a higher population of JW's than in most places. This is just another assurance of God's call for us to go there. I also witnessed to two Mormons (another group I have a burden for). It was a very good talk because they were able to hear the true gospel, a gospel of grace through faith, not "after all ye can do". There is a need out there; please also pray that God would send laborers.

Brother Ben and I also went to Portland to canvas. We visited 250 homes that day, mostly in an Orthodox Jewish community. It was a good day, I believe. Perhaps we will meet many in Heaven one day. Thank you again for your prayers and financial support. Without it, we could not do what God has called us to do.

Lastly, I would like to mention that Obadiah is growing healthy. Hannah is 35 weeks pregnant this week, and we are beyond blessed. We are looking forward to meeting him in June. How great that day will be. Please continue to pray for us, the work in Oregon, and that God would send forth more laborers to the Pacific Northwest.

Resting in Christ,
The Wahnnon Family
