Reaching the world through the state of Utah

December 2023

Another year has come to a close. As I reflect on all that God has done in our family and ministry, I am overwhelmed by His mercy and grace, by the privilege to serve Him and share the hope that we have in Jesus. It fills me with excitement and anticipation of all that He will do in the coming year.

December was another wonderful month. We attended a Christmas banquet at a sister church early in the month and had a great time of fellowship with other believers in the state. Our Christmas program was on the evening of the 17th. It was great! Watching our little flock working and ministering together is such a blessing. There were a few visitors throughout the month, though not as many as in the fall. We had a number of opportunities to have good conversations about the Gospel and what the Bible teaches. The work with the local police department continues to grow and Chief Johnsen was able to attend our morning service on Christmas eve. There seemed to be something going on every week.

The rest of the year was super busy, with multiple groups coming out to help us canvas Farmington and the surrounding cities. We shared John/Romans with over 15,000 doors and covered all of Farmington and Kaysville. There was summer camp, a PTSD conference, mission revival in Evanston, Wyoming, a leadership meeting in Colorado, two revivals in North Carolina, Mission School, and the weekly preparation for services and ministry. Through it all, God has blessed and we are so thankful. We know that every year is unique and life is full of seasons, so we are looking forward to all God has in store in 2024.

Please keep our family and little flock in your prayers for the coming year. The kids are doing wonderful and have a great burden to reach their co-workers and friends. Pray that God will use them to be a witness and will give them many opportunities to share the gospel. Also, pray for some of those God has put in our path in recent days – Billy, Brian, Christian, Britt, Dave, Chris – as well as those we (our family) continue to witness to – Johnny, Debbie, Krish, Kendra, Christian, Trudy, Tanner, Alexis, Shiloh, Cooper, Dax, and others. Thanks for all you do to encourage and support the work here in Utah!
