

JOSIAH AND RUTH ANN GODDARD

MISSIONARIES TO TRINIDAD & TOBAGO

Greetings in Christ,

We hope you all had a very happy thanksgiving! God was so good to us in the month of November. We were blessed with two meetings where the churches have let us know they want to take us on for support. One more church took us on this month making our current percentage about 90.

The girls passports have been submitted and we paid extra to expedite them so that, Lord-willing, we will be able to take a short survey trip in January. If you are receiving this prayer letter and do not currently support us, now is the time! Please help us in getting that last 10% so we can reach the field as quickly as possible.

The Sunday before Thanksgiving, we were able to help out in our home churches big day of preaching and giving out groceries. Josiah preached twice and saw dozens of people saved and Ruth Ann helped running registration and with the giveaways. In total our church presented the gospel to 3,111 people and saw 792 professions of faith.

The girls are enjoying Christmas time!

We will be sending Christmas cards out shortly. If you would like one please email us your current mailing address.

Thank you for your continued prayer and support. We could not do what we do without you. Please pray that God would give us wisdom as we are trying to plan the best way to transport our belongings down to Trinidad. We have an opportunity to bring as many Bibles and John and Romans as we can fit in a shipping container along with our belongings, but we do not know if this is the best option because the very least this would cost is \$11,000. We hope you have a Merry Christmas and a Happy New Year.

Your Missionaries,
Josiah, Ruth Ann, Maryann, and Bethany Goddard

Ruth Ann's Corner

We are cherishing every moment of our last Christmas season in the states for a while. We took Maryann to pick out a Christmas tree. Josiah and I are loving experiencing the joy of Christmas through a child's eyes. It seems like every time we get in the car Maryann asks "Christmas lights please?" Bethany is finally well after over a month of being sick. Please pray for health during this cold/flu season.
