Dear Friends and Supporters,

We hope this letter finds you well. As another year comes to a close, we are filled with gratitude for your continued support and belief in the missional ministry of South-Central MI – FCA. Our passion to make Jesus more fully known, and bring fellowship, development ministry opportunities, and growth to our area schools has been possible because of your generous gifts and unwavering commitment.

In the past year, we have seen incredible progress and growth in our ministry's influence in our local schools. Lives have been touched, communities have been transformed, and the love of Christ has been shared. All of these have been possible because of your generosity. We have seen students grow in their faith, become leaders in their communities, and impact their schools positively. However, our work is far from done. We are ambitiously looking forward to the upcoming year, with plans to grow even deeper and wider in our reach and impact.

South-Central MI – FCA Growth by the Numbers:

- In one year, increased from 10 to 20 schools FCA ministries are into
- 54 certified adult leaders, an average of 17 students per Huddle
- 480 attended All Sports Camp, 120 attended Leadership Camp
- 76 volunteers ministered to 40,000+ fans at MIS during race weekend
- Costs about \$45 per month per school to operate FCA ministries
- We have raised approximately 86% of our monthly budget

Our end-of-year campaign this year has a goal of raising \$15,000. These funds will be directed towards the development of the FCA ministry into more schools and expanding our influence. More importantly, this will help us become fully funded, to fund our next FCA ministry staff positions – an Area Representative, a critical role in our team that will allow us to further our mission and reach more students; and an Ambassador to oversee the ministries of MIS Motorsports. This new role will not only increase our capacity to serve but also deepen the impact we make in each student, coach, fan, and leader's lives.

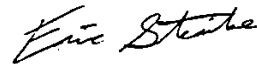

To make this vision a reality, we need your help. We are asking you to join the Home Team, a network of monthly ministry partners committed to being senders of missionaries in the area, making a difference in the lives of our students. Your financial contribution, whether small or large, will go directly towards fulfilling our mission of 'seeing lives transformed by Jesus Christ' and helping us reach our goal.

Mark your calendars for Tues, Nov. 28, to direct your donations on #GivingTuesday towards South-Central MI – FCA. Help us become fully funded by setting up a recurring monthly contribution or consider how you could give a major one-time gift to help us reach our end-of-the-year goal. If you are already giving please consider making a one-time gift or increasing your commitment as we continue to grow. Also, please refer individuals and businesses to join us on our mission for Jesus, by connecting with Eric Steinke.

Please consider making a donation today. Go to <https://my.fca.org/ericsteinke> or send a check made out to FCA to Eric's home office address below. By joining the Home Team, you are investing in the future of our students, our schools, and our community. Together, we can make a difference and continue to spread the love and teachings of Jesus Christ in all of our area schools.

Thank you for considering this request and for your continued support. We look forward to another year of growth and success with your help.

With deepest gratitude, sincerely in Christ,

Eric Steinke
