Dear Brethren

Greetings from our house to you. Barb & I trust that you had a Merry Christmas as you celebrated the Lord's birth with family and friends, and a safe New Year's celebration. Barb & I were blessed as we had our family together for both occasions.

I Praise the lord for 3 saved through the Prisoner's Bible Studies, and 7 bibles issued in December and January. The Prisoner's Bible studies are doing well as I have new enrollments each week. Our desire is that they will follow the Lord when they get out of jail or prison. I have heard through one of the officers that some have been visiting her local church, and also seen some visiting our home church that have been through our jail in the past.

The last 2 months have been busy with the holidays, doctor visits and snow. It was busy with the new offices training and getting used to their duties. Our doctor visits went well in December and then came the snow in January. The roads were covered in packed snow and people were advised to stay home. Our area is not equipped for snow like other areas up north, plus the people drive on the roads just as you would in the rain.

Barb had a doctor's office call and cancel an appointment that she had with them, they said they were closed because of the weather and the roads. They called a few days later and rescheduled her appointment during the week that we were to attend training at the home office, due to the doctor's visit, I had to cancel the trip, plus I have been on some new med's from my kidney doctor which have given me some side effects.

Pray request: Fruit that will remain, continued good health, salvation of lost officers that are at the jail, also more fruit among the inmates.
Our desire for you is that you will reap much in the harvest field where you are laboring.
Barb and I want to Thank you for your faithful prayers and/or support for December and January.

Until our next letter, Barb and I remain in the Master's service.
