

Dear Praying Friends,

God allowed us to go to five prisons, seven churches, and one coordinators meeting this month. We saw 185 souls saved!

We went to the Alabama Blitz this month, where I went to a juvenile facility. There were about 130 15-16 year olds in this facility. The first day we went out it was windy. We walked from facility to facility; dorm to dorm. The officers would give me a ride in a cart for my walker.

We went to the basketball court to wait until we could go in the dorms. A group came out to play ball. We asked the officer if we could speak or preach to them. He said yes, either one you want to. One of the preachers started to talk about the man at the pool of Bethesda. Three of the young men got saved that afternoon.

We preached in one dorm where I preached on "Who is your God?" I said there are many manmade gods; but I serve the one true God. Five were saved.

We had a good movement of God the whole week. It seemed as if God was on everything we did. I saw the Holy Spirit of God eat one boy's lunch. He got up and left right as I was giving the invitation. Pray for that boy.

Remember in prayer my family. We are rejoicing over a new grandson, Josiah Franklin Barnes, 7 pd 11 oz, was born Feb. 13th. Continue to pray for Bibles for the inmates. Pray for Rock of Ages for more help in the ministry, more prisons to be opened.

In His Service,

The Patton's
