Proclaiming the Messiah - Preaching the Word - Praying for Israel

January 2024

Dear Praying Friends and Supporting Churches,

Shalom and peace be upon you. We begin the New Year with thankfulness for all that the Lord allowed us to do last year, and look forward to everything we have planned for this year. I begin this letter by asking you to pray for the peace of Jerusalem and the Jewish people in Israel and around the world. We need to show our solidarity and love for the Jewish people like never before.

We are thankful for the safety of our travels, the souls we saw saved, and for the many meetings we were able to attend last year. Our hearts were broken when we heard about the war that broke out in Israel and our plans to return around that same time have been postponed. I do however plan to travel back soon and take aid and supplies with me. I am raising funds and if you would like to give, please send all donations to JAM, specifying that it is for the Israel relief fund with my name attached.

The home JAM owns near the Galilee, which we stay in when we are in the land, is being used for refugees and evacuees from the northernmost border. There are two couples, both Messianic believers, living there that take around 450 meals a day to the soldiers who are fighting on the border. What a blessing to be able to use the home to meet both physical and spiritual needs. If you wish to give to this fund, designate your donation to the Israel Ministry Center (IMC).

Our Hanukkah gift bag outreach last month was extra special, and the Jewish people were very thankful for the love and support shown to them during such dark days in their homeland. We gave a Hanukkah menorah with candles, along with many goodies and a gospel tract about Hanukkah. Many good conversations took place, as the Israelis were a little more open this year. If you know anyone who would be interested in getting involved in any of the feast outreaches that we do, I would be glad to equip and teach on how to engage contacts and then follow up with them. This is an excellent way to show your support to the Jewish people in your local malls! Many of the Israelis are here for a couple of years, so you can build relationships and follow up with them.

Interest of Israel in Bible prophecy is on everyone's mind with the current war, so I am attaching a JAM Feast calendar for 2024 that you may be interested in teaching. The calendar will help you see Jesus in the feast. Contact me if you are interested in any assistance for studies or training in any way. I would be glad to come and teach or assist you in teaching through many of the feast days. We have several weeks scheduled this spring to demonstrate a Passover Seder meal, this is also a good learning tool and outreach to your local Jewish people.

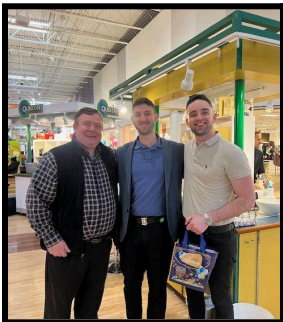

If you do not receive an Israel Messenger Magazine and would like one, please contact me or JAM to be added to the list.

Shalom until the Messiah, Jesus, returns.

Your ambassadors to the Jewish people,

Rusty & Ronda Guin
