*“A Lighthouse to Rescue the Perishing in Korea”*

Dear Fellow Soldiers of the Cross,

May 2024

Greetings from South Korea! **Lamentations 3:22-23**, reminds us, “It is of the LORD's mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness.” We thank God for His eternal faithfulness!

The past few months have been very challenging for Sue and me. We have been battling several physical ailments including pneumonia. Presently we are recovering and are feeling much better. Thank you so much for your prayers.

Thank you for praying for our special invite-a-friend breakfast and resurrection service.

God blessed us with many visitors. It was a great service and our choir did two specials that were a tremendous blessing! We also took our annual group photo which is below. Many of the people that are in the picture will PCS this year and return to the States. We are always in a church planting mode in a military ministry such as ours.

We are praying about starting a new children's ministry on Wednesday nights. One of the new families has a burden and is planning to start the children's program soon. Please pray that God will bless this new ministry outreach.

In April we had a special ladies' brunch, it was such a blessing and one of our young mothers gave the devotion. We will have a men's prayer breakfast at the end of this month. Our men enjoy getting together every other month for this special time of fellowship and prayer. Please continue to pray for our outreach in the community, we have faced some opposition lately and need your prayers. Thank you!
