TEACHING & INVESTING IN THE NEXT GENERATION

In this issue, Tarl is one of the guest teachers for Louisiana Baptist University's Masterclass program, the Reeves reconnect with the Rhoades during the holidays, and Lucy turns 16 in December.

Our Ministry

While Tarl has been slowly recovering from his knee surgery, our family has continued making new connections with new pastors and new churches. It has been a blessing to share what God is doing in our ministry and in London.

At the beginning of January we were excited to reconnect with Kaylynn Ledbetter as well as Justin and Rachel Rhoades while they visited the US. We used this time to catch up on all that's been happening in London, plan out the next few months, and give much needed ministry equipment to the Rhoades to take back to England for the ministry there.

In January Tarl was one of the guest teachers for Louisiana Baptist University's Masterclass program. Tarl helped teach on the importance of building good relationships with ministry supporters, adapting to new cultures, ministering effectively in European settings, and continuing to send more ministry workers around the world. It was amazing to see so many wonderful missionaries and teachers help record content for the university and help train up the next generation.

Please pray for Kaylynn Ledbetter and Jassen Garcia as they pray about their next steps in missions and ministry. In February Kaylynn is returning to the UK for six months to see if she can get another visa and church sponsorship. Jassen is praying about becoming a missionary for the Philippines.

We have applied for our British passports and are currently just waiting for Adrienne's passport to return. Please pray this process finishes smoothly. The total cost for a family of five is \$850. If you could prayerfully consider helping with this need, we would be grateful!

Our Family

Thank you for your prayers regarding Tarl's knee surgery. He's been going to physical therapy each week and recovering well. He should be back to normal over the next few months.

We celebrated Lucy's 16th birthday over the Christmas holidays. We are so thankful and blessed to see the young lady she is becoming. They are all growing up so fast!

PLEASE PRAY FOR KAYLYNN AND JASSEN'S NEXT STEPS IN MINISTRY
