II Kings 7:1-5

Elisha replied, "Hear the word of the Lord. This is what the Lord says: About this time tomorrow, a seah of the finest flour will sell for a shekel and two seahs of barley for a shekel at the gate of Samaria."

2 The officer on whose arm the king was leaning said to the man of God, "Look, even if the Lord should open the floodgates of the heavens, could this happen?"

"You will see it with your own eyes," answered Elisha,

"but you will not eat any of it!"

3 Now there were four men with leprosy at the entrance of the city gate.

They said to each other,

"Why stay here until we die?"

4 If we say, 'We'll go into the city'—the famine is there, and we will die. And if we stay here, we will die. So let's go over to the camp of the Arameans and surrender. If they spare us, we live; if they kill us, then we die."

5 At dusk they got up and went to the camp of the Arameans. When they reached the edge of the camp, no one was there,

MISSION

by Pastor Hector, Director

Greetings in the Wonderful Name of Jesus,

When God has given a Word, it is for us to believe and act on that Word. Faith is always accompanied by actions. When we have that kind of faith, we will speak like these four leprosy men, why are we sitting here until we die? "

May it be our attitude, believe the Word and have actions that shows we believe the Word.

As we act on the Word, God makes a way for us like He did for these lepers.

BRASILIAN GUESTS

In December, we were blessed to have our Brazilian family join us. Lilian, a board member, arrived with a car full of blessings. Ps Agnaldo shared encouraging words on the Lord's faithfulness in 2023, Psa Graça delivered an anointed message, and Ps Pedro prayed for us as we entered 2024. Our service was truly blessed, resonating with praises in diverse languages and witnessing the powerful work of God being shared. What a mighty and majestic God we serve!

HAMMANSKRAAL

WHERE IS IT?

Hammanskraal is a trans-provincial region anchored in northern Gauteng Province, South Africa.

WHO MINISTERS THERE?

Our Pastors Rodgers faithfully labours for the Lord in the Hammanskraal area. Besides **teaching and equipping pastors, preaching on a Sunday and preaching at a men's rehab centre**, one of the areas in which Pastor Rodgers works is in a **high school**.

SCHOOL MINISTRY

Every Monday morning, Ps Rogers faithfully delivers the Word to approximately 1300 students at Ratshepo High School. Ministering to such a large group of children without a microphone, while maintaining their attention and preserving the silence, is no small feat. Yet, despite the challenges, it is an incredible privilege!

Through weeks of dedicated preaching, the students are gradually becoming more receptive and open to the Gospel. Some who were entangled in ancestral worship and bondage have been set free! Praises to YOU LORD JESUS.

The **teachers' comments** to Pastor Rodgers was that the **atmosphere in the school on a Monday is completely different to any other day of the week** and that the students were far less of a challenge to handle. This is the **power of the Gospel** and a clear testimony to unbelieving students and teachers that God can and does make a difference in the lives of people.

While we rejoice in this development, we know that Satan is not happy and he will not sit still with his arms folded and do nothing. **Please keep Pastor Rodgers in your prayers** and plead for his protection and an ongoing 'open door' into this school.
