

CITY BAPTIST CHURCH

CHURCH PLANTING IN THE CITY OF ATLANTA, GA

SUMMER IN FULL SWING

Summer is in full swing, and we thank the Lord for all of the exciting things He is doing at City Baptist Church. We praise Him for 8 people saved in the months of May and June! There were 5 saved on door-to-door soulwinning and 3 saved during Summer Day Camp. Thank you for your continued prayers and support!

Summer Day Camp

We thank the Lord that Summer Day Camp (what we call our VBS) was the best we have seen yet at City Baptist Church! We had a high of 27 children on Friday night, 16 different first time visitors picked up on the route, and 3 children saved! Our people jumped right in and worked so hard all week to make it happen.

Van Route Begins

Several of the children who began coming to church during the Summer Day Camp have continued coming to our children's Sunday School. This organically started a van route. We have been using our own vehicles the last several Sundays to pick up children. *We need a van or bus to pick up these children. Our people are maxed out on who can be picked up and we are in need of a larger vehicle. Please let me know if you have or know of a van or bus available for purchase!

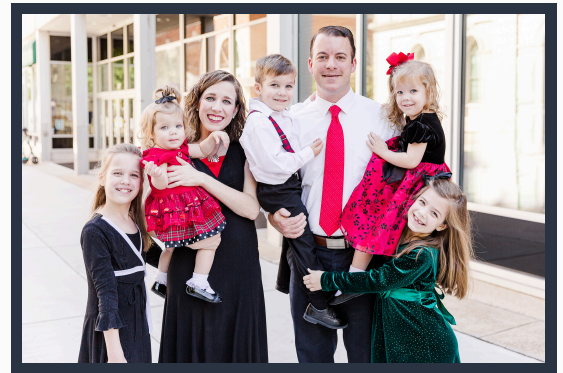

Presidential Debate on Our Street

The Presidential Debate took place just .4 miles from our church building. The CNN headquarters is in the Warner Brothers Discovery building three blocks down from us on 10th Street. We thank the Lord for safety while there was a pro-Palestinian protest in the park next door (we could see it out our window). This gave me an opportunity to witness at length to two of the protestors and meet many of our local police officers. Please pray for the gospel seeds sown!
