

PRAY FOR THE Sinde Family IN GREECE

January-February 2024

YEAR 2023

We feel like the year 2023 flew by so fast and can't believe it's already March. We are blessed to be a part of this ministry and we are thankful for you all for supporting us to be here in Greece. We want to share with you that in the year 2023 we have seen **100 give their life to Christ and 74 follow the Lord in Baptism**. It is always amazing to see God work in the lives of the people here and over 95% of these people that have been saved were former muslims, Praise God for the Gospel that transforms lives!

OFFICIALLY MOVED INTO THE CITY

Thank you to all those who have given towards our move. We have officially moved back into the city. Our apartment is a one minute walk to a metro and a ten minute walk to the Acropolis. Which is awesome to have anyone come over for a bible study. It has been a blessing to our family but also a huge blessing for the ministry in building relationships. We have had multiple youth events in our apartment since we moved in January, as well as Couple Bible Studies, and had many opportunities of meeting new people. Just yesterday we met a lady who is searching for a church and is confused as she has been going to Mormon church and is looking for a church that is more like what she believes. We invited her to church. We are praying she will come or get another opportunity to meet with her to see what she believes and share the Gospel with her. Please pray for Phely.

COUPLE'S BIBLE STUDY

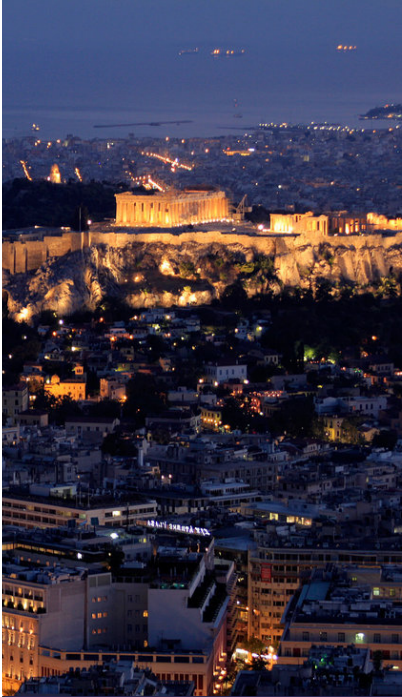

This January we were able to restart the Couple's Bible Study. It was such a huge blessing to be able to finally meet again. We do not have many committed couples in our church. It has been awesome to see God work through this. We first started with two faithful couples. Almost every week we have seen it grow. This past Thursday we were a total of 6 couples. These couples are from the Greek/English Church as well as the Farsi Church. It's been cool to see all of us come together to learn more about God's purpose of a Biblical Marriage. We have many different nationalities: Greek, Filipino, Iranian, American. The class is in both English and Farsi. Please pray for these couples to stay faithful to church and the Bible study and that they will grow closer to God and each other.

ANSWERED PRAYERS

There is a couple in our church who have been coming faithfully for many years now. It's been awesome to see God work in their lives and see them grow. Since the day they started coming to our church their boss has been asking them why they seem different and why do they love to go to church so much. It's encouraging to see how their faithfulness has impacted others around them. Throughout the years he would even ask about wanting to meet us to ask questions. We have had a few opportunities to meet him for dinner and he always asks a lot of questions but still very skeptical. He is a Greek Orthodox Lebanese. He has mentioned throughout the years we have met with him that he would like to come visit our church but it just hasn't happened. We were so excited and surprised that he actually came to church Today. Please pray with us that God will work in his heart to be saved. It is a miracle every time a Greek Orthodox steps a foot in a non Greek Orthodox Church here in Greece. We praise God for this miracle and we pray that we will see his life transformed with the Gospel.

Thank you for your faithful prayers and support,

James & Cristina
Amalia, Sofia, & Benjamin
