## MISSION BIBLICA BAUTISTA

By a step of faith, in May 2015, we rented a small house as our church building. On our first Sunday, we had 34 attend, and 16 became our core. By the end of that year, we reached a High of 60 and ran out of space in our 450 ft2 auditorium.

## SECOND LOCATION

The only open door between space and budget was a property from a church deacon in Iquique. He allowed us to reconstruct everything to meet our congregation's needs. At this stage, we gained a 1050 ft2 auditorium, 550 ft2 multi-purpose rooms, five classrooms, a kitchen, and an office.

## PROGRAMS & MINISTRIES

Finishing 85% of our construction, we focused most of our attention on ministries, programs, discipleship, and evangelism. We started the junior high, High School, College, and ladies' ministries. We saw a record-high attendance of 125 at our Christmas program. We saw 25 professions of faith, ten baptisms, and a great excitement to grow.
