Celebrating 28 years of Gospel Ministry at the 2nd Baptist Church

We planted this church in the city of Ribeirão Preto in 1996. After five years of ministry the church was built and turned over to Pastor Wagner. He and Erica have done a first class job leading this work for the past 23 years. They have continued to be faithful to their biblical foundation, help start other churches, train nationals in the Ebenezer Bible Institute, and support 28 missionaries through faith promise. They have done far more than we could have ever accomplished. Someone has said; ***“There is no success without a sucessor”***. What a blessing to recently celebrate this milestone with them.

Thankful for servants leaders like Wagner & Erica faithfully pastoring for 23 years.

The Ingá church continues to grow under the leadership of pastors Seth and Carlos

Men of God!
Uarlisson, Seth, Harold

Pray for the construction of the New Life Baptist Church in Guacuri.

Thankful for the men that God has raised up to lead and pastor.

We had the blessing to participate in conferences celebrating the birthdays of two other churches we started. New Life Baptist in Ingá is 19 years old. Pastor Alex, Wagner's brother, preached the conference at the church in Ingá, where pastors Seth and Carlos lead in the work. The church has continued to grow under their leadership and recently had a new group of students enroll to begin ministry training through the online Bible institute. New Life Baptist in Guacuri is 7 years old. Under the leadership of pastor Harold and Uarlisson the church is transitioning properties to a new location. They have been meeting in a tent for several years. They are now building on an empty lot to provide an adequate meeting place. The new property will also place them in a strategic location on a major avenue, which will allow them to more effectively reach their neighborhood. Pray for Uarlisson who recently stepped out by faith to leave his job and work full-time at the church. The plan is for him to be ordained as pastor in October. Please pray for this construction project, as we have faced many obstacles, especially with labor.

Thank You! To those who have contributed to the “Guacuri Building Fund”. Now we need laborers!

We welcome all CONSTRUCTION TEAMS looking for a project!
