## Deputation Director and Church Planting Representative for Asia

May 2024

Dear Pastors, partners, and friends in the ministry,

This month was incredibly busy, starting with the Our Generation Training Center Open House, followed by a Youth For The Gospel event, preaching opportunities, a Leaders planning retreat, Vision Baptist Missions Orientation, and concluding with our third annual benefit golf tournament.

### ENLIST:

This month we had an OGTC Open House. This is an opportunity for those interested in

missions to check out if the OGTC would be a good fit for them. We had several students come and spend time with us attending classes, chapel,

and on Friday missions class with Dr. Sisk as the guest speaker. It was a productive time and trust God will use it to bring more students to train for missions.

Also, this month, we had another YFTG event in Fairfield, OH (North of Cincinnati). We praise the Lord for the opportunity to preach on the great commission and challenge young people to consider taking the gospel. We had five young

people and one adult sign the pledge to do all they can to get the gospel to the world, changing their "default setting to go instead of no".

The Lord allowed me the opportunity to preach in a church service in Evans, GA. It was a blessing to update this church and challenge them

from God's word. I had another opportunity to preach at a Christian School Chapel in Powder Springs. It is always a blessing to get in front of young people and preach God's Word, specifically how He would have them enlist in serving Him full-time with their lives.

### EDUCATE:

In mid-April, Rebecca and I participated in two days of planning and policy updating for VBM. We are grateful for the team God has assembled to lead VBM and to have a part in helping churches get missionaries around the world.

The next week, we had the VBM annual orientation. It was a time of fellowship and essential training for both new and continuing missionaries. As always, it was a great week to reconnect, get re-equipped, and refueled for another year of ministry.

Finally, our 3rd annual VBM Golf Benefit Tournament raised funds for campus improvements. We are grateful for our generous sponsors and golf participants. We attribute all successes to God and give Him the glory.

### Praises and Prayer Requests:

- Praise God for all our supporters.
- Please pray for new students.
- Pray for the upcoming YFTG in May
- Pray for the WCMT in May, June, and July
- Pray for the China trip in June.

Thank you for your partnership!

Sincerely in Christ,

Ty and Rebecca Pepperdine
