Dear Pastors, churches and Praying friends,

We hope and pray this letter finds you all well and advancing in the work of the Lord. We have been extremely busy the last few months and that wont change for the remainder of the Summer into the fall. But we are so thankful the Lord allows us to serve him. This letter is a bit late and we do apologize. I was wanting to wait until after the big May meeting so I could update you on what the Lord has done here in Scotland the last while.

In March my wife and daughter's traveled back to Alabama for a few weeks to try and get some preparations for our daughter Hannah's wedding coming up in September as well as spend a little time with her parents and mine. I stayed back to continue on in the ministries here in Forfar. It was strange not having my family here and me having to do all parts of the service alone. I was very glad for them to return back home again. My family is such a blessing and important part of the ministry here and I praise God for them. While they were away I attended the missions conference at the Bible Baptist Church in Dundee with Bro. Van Voltenberg. It is encouraging to see the people there giving to missions and doing their part to reach the world.

In April we started full on preparing for the Highland Hills Baptist Missions week here in Scotland. A lot of time, work and prayer was put into this meeting and we praise the Lord for answering those prayer's. "Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us." Eph_3:20

We had 36 people from America join us this year plus several UK missionaries and some of our church members from Forfar and Dundee. What a blessing to hear the testimonies of everyone who attended and tell how the Lord touched their hearts in many different ways. The group put over 8000 John and Romans in the homes of the people in Arbroath as well as an invitation to the Bible study that is held there. On Wednesday the group went to Dundee city Centre and 15 of the preachers that attended preached Christ to all who would listen and over 1000 tracts were handed out. I say Praise God! The Lord moved through the meeting and we saw a young man announce his call to Scotland and is going to start an internship next year. Please pray for Bro. D.J.

We praise the Lord Bro. Brian Stoutt was able to attend this year. Pray for him as he goes back and starts his deputation as a missionary here in Scotland. Pray his support is raised quickly so he can return and begin the next work here in Scotland.

Our goal for this meeting was to see men's hearts burdened for the people of Scotland and the UK as a whole, so they would allow God to use them here or go back to their churches and ministries and portray the great need they saw here for more laborers. We are so thankful the Lord answered our prayers. Only he knows the full effect this meeting had. We look forward to next year and the years to come.

I have been teaching our people here about missions and we took our first missionary on for support this month. Praise the Lord!

We are now focusing on the children's Bible club that will be started at the end of June as well as the five tent meetings throughout the summer. Please help us pray for these towns that God would touch the hearts of the people and they would come to know him in Dundee, Forfar, Brechin, Carnoustie, Arbroath.

You all are a big part of everything that happens here in Scotland and your rewards will be great for your faithfulness.

Thank you again for your love, prayers and support for our family and the ministry here.
