

The Wahnnon Family

Church Planters to The Pacific Northwest

Prayer Requests

- Our Obadiah continues to grow healthy
- That God would open the eyes of Mr. F.
- That God would help us to continue to book meetings and raise our support
- The planting of Clearview Baptist Church

Praise Reports

- The Lord got us to 17%
- We are having a baby boy
- Our God is still God and He is still on the throne!

Update: February, 2024

Beloved Brethren,

We have so much to relay in this letter. I took a trip to Oregon to assist with this work, we have seen our child on an ultrasound, and we have seen our support raise. We are very excited for the future God has for us.

I flew out to Oregon just a few weeks ago to help Bro Cooley with the work that is started out in Redmond. It is the planting of Clearview Baptist Church. While we were out there we were able to hold scripture signs out on the side of the street and many read what we had up. It was such a blessing to be able to go and do that and we pray that those seeds would take root and sprout. I was also able to meet with a man that Bro Ben has been witnessing to for several weeks. We sat down and had a meal with him and I relayed to him my past and my salvation. He and I share a very similar past. I will call him Mr. F. He seems to be seeking the truth and we know that Christ is the truth. This was the highlight of the trip and I ask you to please pray for Mr. F.

God has handled the camper situation. We were able to downsize and get one more for just travel so we save money on hotels and airbnbs. We are about to take two week trip to GA for a meeting then we travel down to LA for more meetings. We are excited and so thankful for our God and His faithfulness.

Hannah is officially out of office now. She fulfilled her notice and they offered her a part time remote job which we are thankful for. Now she is with me on the road at all times. This is an answer to prayer!

We are excited to announce that we are having a baby boy. His name is Obadiah (named him after Obadiah Holmes) Benjamin Wahnnon. He is healthy and we look forward to meeting him in June!"

Resting in Christ,
The Wahnnon Family
