

THE

HAS FAMILY

Dear Prayer Partners,

April & May 2024

From the bottom of my heart, thank you for taking the time to read our updates and pray for our family, team, and ministry. So much has happened since our last letter; May we rejoice and pray together over these praises and prayer requests.

Ministry Trip in a Restricted Access Country: Let me refresh your memory, our home and sending church (Pacific Baptist) has a team in Cambodia (I'm sure you've heard of us), a team in Thailand and one in a restricted access country. Thank you for praying for this specific ministry trip. What a privilege it was to be able to minister the gospel to two different local assemblies: one well-established and the other in the infant stage. The highlight was meeting a grandma who was saved out of witchcraft; she shared with us how she felt so loved by Jesus and the church family. Also, meeting a grandpa who was known by everyone in the village as "the greedy man", but since his salvation, has become known as the "generous man". Glory to God! Please pray for these national believers' spiritual growth; also, an unspoken prayer request that is heavy on our hearts. Thank you!

The Lord blessed us with a wonderful youth conference. We enjoyed a wonderful time of preaching, testimonies, singing, praying, and praising God together. The highlights were when five individuals believed on the Lord Jesus Christ and when ten of the young people surrendered to full time Christian service. Praise the Lord! It was such a blessing to reconnect with familiar teens and meet new ones. What a blessing it is to have a part in reaching and training the next generation. Thy and I are encouraged by how the Lord is working in their lives and are thrilled about what the Lord has in store for them. Please join us in prayer for much fruit now and in the years to come. Thank you!

Brosith Mountain Ministry: Brosith mountain is an area which has been a spiritual stronghold for the Khmer people for many centuries. Every Tuesday afternoon, a group from our Tropeang Snor Church has been saturating several villages in this needy area with the gospel. Though the response has been for the most part cold and unreceptive, I praise God for Meav and Phally who have both placed their faith and trust in the Lord Jesus Christ. Meav shared with us that it was the first time that she ever heard about the good news of Jesus. Phally on the other hand needed someone to explain the gospel more clearly to her. I'm so glad God sent us to them for such a time as this. Meav was recently baptized and Phally is planning on getting baptized soon. Glory to God! Please remember them in your prayers for spiritual growth.

Thank you for having a part in making this a reality as you have faithfully invested your love, prayers, and support. You have made a difference for eternity. May the Lord richly bless you!

With Grateful Hearts,
