MISSIONARIES TO EAST AFRICA

February/March 2024

Dear Pastors and Praying Friends,

Hello from sunny and hot Uganda! We are currently in the dry season and it is hot! Yet, we are rejoicing in the goodness of God.

In the last two months we have been busy with outreach, Bible Institute, and church. The school ministry is starting back up and we look forward to preaching the Gospel in the schools and placing the Word of God in their hands. Village outreach has also begun; we go into unreached villages with literature, the Jesus film and open-air preaching. It is our desire to reach as many as possible with the life changing Gospel. Last month we also had the privilege to begin a prison ministry. I am extremely thankful for those the Lord has placed around us in helping with these ministries.

Prayer Baptist Bible Institute is going well. In the past we have only been able to hold tri-annual institute classes during the school breaks. Now, we have begun to hold weekly classes at Grace Baptist Church. We currently have 13 students attending.

Grace Baptist Church and our other church plants are **Remaining Faithful,**

doing well. Our newest church plant in the town of Mokono began holding Sunday services in the month of February. I am beyond excited to see how God is working here in the lives of Ugandans.

Thank you all for your prayers and the faithful support each month! Thank you to all those who gave for our vehicle need. We are currently needing about \$4500 more. This year we will also be traveling into Kenya to some church plants there and reaching out into other areas of Uganda for training and evangelism. For this reason, we are needing a more reliable vehicle. We also grateful to Ridgeview Baptist Church for the supply of textbooks and Bibles for our Pastors training. They are a tremendous help and a blessing!
