Dear Pastor and Church,

It is such a blessing to report to you as we saw God do some great things during the last two months. To begin, we saw Him bring Maxi-Ann to a place where we can rest assured that medication will prevent seizures when a fever arises. We got to see Him and allow our home church to be a part of an outreach, where they passed out over 2500 gospel tracks to our community. Though we did not get to participate in the event due to our traveling schedule, we got to be a part of much of the preparation, which was a blessing. We saw him allow us to have multiple conversations with front desk ladies at several hotels, and we are praying they will soon visit the different churches that we were at so they again hear a clear presentation of the gospel. He has again been faithful in providing for our needs and gone above and beyond what we can ask and think. He has also allowed us to begin to save for startup funds, moving funds, and funds for housing. We also were able to attend the Reseeding America Field conference, where we were able to fellowship with all the BIMI USA missionaries and see friends we had not seen in a long time. Through everything, we have seen God do precisely what is in our theme verse for our family this year, which comes from Job saying, "But he knoweth the way that I take: when he hath tried me, I shall come forth as gold."

With Love, Taylor, Lynsey, Maxi-Ann Cranfill, and Baby C.
