

SHREVE

CHILE

Dear pastors and praying friends,

We're expecting

God has blessed our family, and we are expecting baby number three later this year. We would appreciate your prayers for Hannah and the baby. Hannah's due date is late September or early October.

Iglesia Bautista Gracia - Grace Baptist Church

Things at the church are moving along very well. I am meeting weekly with two men from the church to study the Bible and engage in discipleship. Additionally, Rick, our associate pastor, has three discipleships ongoing with several young men from the church. In total, we have about six people in discipleship at the moment. We are praying to have ten people complete the discipleship course this year, so please join us in prayer for that.

Speaking of Rick, he recently married a young lady from the church. They are both 23 years old, and it is wonderful to see young people living according to the Lord's way.

Mother's Day was a significant day for us. We had 39 people in attendance, including seven first-time visitors. Several came from tracts we had distributed, but two were the adult children of a family who attends our church. One of them, Yatzel, had never been to a Christian church before as she grew up Catholic. I had the opportunity to share the gospel with her both through preaching and personally after the service. Please pray for her, as well as for all the other visitors!

On the 25th of May, we are hosting a marriage meeting. There will be food, games, and a message on the importance of forgiveness in marriage. Please pray for this event, as a few unsaved contacts have expressed interest in attending, and there will be an opportunity to hear the gospel during the message.

Our English class is going well, and this week we had a Bible study after the class. Ten people stayed, and we shared the gospel with all of them. We also had a time of question and answer, where we were able to discuss Bible truths with everyone present. We are considering turning the study into a weekly event, so please pray for that.

We are also in the process of raising money to buy our church property.

If you would like to help with that, you can send a donation to:

Seminario Bautista Chileno - Chilean Baptist Bible College

We are almost done with the first semester of the year at SCB. I have been teaching the general epistles and have enjoyed it, growing from the experience. I have the privilege of teaching ten students each week, and I am humbled to have a small part in impacting their lives in this way. Please pray for them as they continue through Bible college and into ministry!

Upcoming Visit to the USA

We will be back in the States for my sister-in-law's wedding during November and December. If you are interested in having us present the ministry and share what God has done in Chile, please let me know. It would be wonderful to share what the Lord has been doing here. You can contact me at kyleshreveyoung@gmail.com.

Living today for eternity,

Kyle, Hannah, Isabella, Isaiah, baby #3, Shreve
