

Spring 2024

Dear «Name»,

Noteworthy News

Wings BPS has shipped over 825K Scriptures in 13 languages to 9 nations so far this year. The highlight of this spring was our **Jesús 4 Juliaca** trip to southern Peru. The 12,500 feet of elevation had adverse effects on our team but with the help of the Lord we struggled through, and in our weakness He showed Himself mighty with 27,300 Scriptures distributed, 57 visitors receiving Bibles, and 12 professions of faith. Allen was able to lead his van driver and his wife to Christ after preaching the first gospel message of the trip. For more information, please look inside our newsletter. We wish we had good news on the Nigeria container but it still has not been released. Please continue to pray for this burden to be lifted. Our container for the **Gospel 4 Gabon** trip arrived in port the last week of April and Lord willing, it will be cleared and delivered well ahead of our team's arrival in June.

Prayer Petitions

- Pray for the container in Nigeria to finally be released and delivered, sooner than later.
- Pray that God would add much fruit that remains from our trip to Juliaca, Peru.
- Pray that God would enable us to **Sow More in '24**, by providing His word to needy souls.

Thank you for partnering with us to get the word of God to a lost and dying world through your prayers and giving! We believe in the power of prayer and are thankful for your support.

Dema finally had her follow up procedure from the breast cancer and is recovering. She was unable to go to Peru but hoping to be well enough for our upcoming **Gospel 4 Gabon** trip in June. After the **Jesús 4 Juliaca** team boarded their flight from Lima, Peru back to the USA, Allen flew from Peru to Colombia to preach a Bible conference and make preparations for our **Christ 4 Colombia** trip in August. We are trusting the Lord to use us for His cause and glory, **Sowing More in '24!**

“Allow me to share some details of the trip to Juliaca, Peru to assist Good Shepherd Baptist Church, Pastor Oscar Cruz, and his wife, Juana. In addition to Brother Allen Johnson, eighteen of us, from six churches, converged on the city of over 275,000 souls at more than 12,500 feet above sea level. We discovered that young people and fit people often have various altitude sickness symptoms.

The trip was inspiring as we experienced the eagerness of the Peruvian people to receive and respond to the gospel and often thank us as we distributed 27,000 Book of Romans to pedestrians, cab drivers, police officers, shopkeepers and even to commuters stuck in traffic. Inspiring to learn that Pastor Cruz works as a cab driver and Juana makes and sells individual fruit salads to meet the financial needs of the ministry. Inspiring to see fellow Christians in Peru faithfully evangelize their community and serve in their local church without regard to personal benefit or recognition.

The trip was encouraging as three teenagers traveled for the first time outside the USA (and without any family members) in submission of ways the Lord would use them to minister. Encouraging to be a part of Wings Bearing Precious Seed Ministry, which actually distributes the gospel and reaches the lost, through a local church, allowing follow up and discipleship, in fulfillment of the great commission. Encouraging to observe the humble service of a brother and sister from Pennsylvania, a single young woman from Indiana and a faithful pastor and two church members from Maine allowing us eleven “rookies” from western Kentucky unite with them to complete the work set before us.

Now, for the hard part. Lastly, this trip was convicting as I witnessed the zeal of a construction man from North Carolina, unabashedly proclaim the gospel in spite of him suffering from a lack of oxygen the entire week. You see, this is where “good” Christians like me and many of you miss the mark. 2 Timothy 4:2 commands us to be instant in season, out of season. We have the “in season” part down. It’s the “out of season” that many of us struggle and often ignore. When it’s time to go soulwinning or visiting, we are all in. However, when it’s time to shop, golf, dine out, or travel, we “check out” because it’s out of season. We all need to stop making excuses why we can’t take a missions for Christ when the time or place just
