

MARCH - APRIL UPDATE

Easter Sunday was a great day at BayLight! 66 people celebrated our risen Savior. We had a lunch outside, and an Easter egg hunt for the kids! Unfortunately, Kaleb and I were both sick with strep on Easter Sunday. We are thankful for a church who covered for us while we were sick. We had several visitors, and a few of them have returned to BayLight the following weeks. It was a great Easter Sunday!

Kaleb's parents visited us from North Carolina. Pastor Rick Finley preached for us. We also had lunch after the service. It is always nice when family comes into town!

This Saturday is our Ladies Tea Party. We know of a few visitors coming to visit us. Please be in prayer for our event this Saturday. Autumn will be sharing about how our cup can be filled in the Lord.
