Hello Praying Friends and Faithful Supporters

It is our prayer that this update finds all of you enjoying the new year that the Lord has given us. We have been blessed and busy this year. The Lord has given us a provision and a plan, and we're excited to see what God is going to do this year at Anchor of Hope.

He Supplies Our Every Need

We want to say thank you to those that have given to the staff house project. We are currently working on the construction. It has been framed up and dried in. The next phase is the roofing and the vinyl. We hope that we can have the house completed this summer. If you, or your church would like to help with this project, please let us know, we would love to have you be a part of what God is doing at AOH. We still have plans on building another small house once the staff house is complete. It is our prayer that the Lord would send a family to help us in reaching and teaching these young ladies. This would be a great opportunity for an internship for a young preacher and his family to serve while he waits for the Lord to show him where he would serve. It is our desire to have more staff so that we can accommodate more girls, and teach them of Christ. If you are interested please contact us for more information.

He Is The Master

We had the pleasure to travel a lot already this year. We have been in meetings in South Carolina, Tennessee, North Mississippi, Alabama as well as a Mission Conference in Minnesota. We are grateful for these opportunities, the fellowship with God's people, new friends, additional prayer warriors and the safe travels the Lord has given us.

He Loves Even Me

The second semester of school is off to a great start. We are excited that we will have our first graduate this year, Miss Autumn. She has been with us for 6 years. She will graduate in May, and is looking to start her first semester of college in the fall. She will be enrolled at a local community college, and will attend her classes virtually. This will allow her to still be able to attend all the church meeting with us. She is praying for God's will in her life and what direction the Lord wants her to take. As of now, she will continue to stay here at AOH, graduate high school, go to college for a degree in education, and eventually become part of our staff. Please pray that she will continue to seek God's will for her life.

He Is The Dearest Friend

We have a several open dates in our schedule for this year. If you would like for us to come by your church to update, present our burden, or help with any projects, please let us know. We would love to be a blessing to you. We are truly grateful for the love, support, and most of all the prayers. We could not do what we do without God's people like you!

He is Faithful

We had the blessing to have some family time in January. It is always a blessing to spend time together. We are excited to meet our first grandbaby in June. Please continue to pray for Darren and Rachel as they prepare to become parents, and head to the field later this year. SaVannah is doing well. She is definitely an asset to the ministry. God uses her greatly in teaching the girls academically and spiritually. We are excited to see what God will do in her life.

There is no greater joy than watching your children serve Christ.

In Christian Love and Service
