

“God be merciful unto us, and bless us; And cause his face to shine upon us; Selah. That thy way may be known upon earth, Thy saving health among all nations.” Psalms 67:1-2

Dear Pastor and Church

June 2024

It is a joy to be able to greet each one, wishing that the Lord is greatly blessing your lives, families and ministries. By the grace of God, we are well and firm seeing the mercy and faithfulness of our God.

We continue going house to house bringing the gospel and handing out tracts that clearly explain the gospel. There are people who receive the tract from us, but do not have time to listen, others who do not want to receive a tract, very few people who stop to listen. When there is no one in a house, we leave a tract with the message of the gospel, but despite the apathy of the people we always find someone who the Lord touches their heart. Such is the case of Nicolas and Yolanda who made a profession of faith and have attended church in Nueva Helvecia. Zoe's grandfather, one of the girls who attend the church, also visited us. On this occasion he did not make a profession of faith. but he is very open to continue visiting him. The Lord tells us not to get tired of doing good, that in due time we will reap if we do not give up.

In Juan Lacase we also had another profession of faith, a young woman named Luana who made a profession of faith and is now congregating, we also contacted Mrs. Karina who at the time we visited her could not assist us, but we agreed to visit her and talk with her. She also has two daughters who showed interest in congregating, please pray for them and may the Lord give us the grace and power to preach His word.

My wife also organizes a monthly ladies' meeting and thank God the Lord has used these meetings to encourage the sisters and invite someone new, such is the case of Laura, a mother of a girl who comes to church, who has already done profession of faith and has come to the meetings a few times.

Thank you for your prayers for the church land, we had been praying for one in particular that was more central, but in the end, it could not be finalized because it had a lot of debt, we found another a little further to the shore in a Colonia that is growing, this one is three times bigger than the previous one and with the same price, we see the hand of the Lord. We are in the final procedures for the final signing of the purchase. Thank God for churches in Mexico and the US as well as some brethren in particular who have offered for this cause. We only ask you to help us pray for some payments that we still need due to the taxes paid to the government, also for what follows, which would be the construction, but I know that the Lord is faithful and He will provide.

Thank you, very much dear brethren, for your prayers and support through your missionary offerings, thank you for participating with us bringing the gospel to the Uruguayan people, Jews and Gentiles. May the Lord bless you and continue to use you greatly.
