March-April 2024

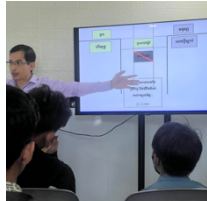

Dear Brethren,

Now when He had left speaking, He said unto Simon, Launch out into the deep, and let down your nets for a draught. - Luke 5:4

Let us keep proclaiming the message of salvation!

Last March 23 and 24, we invited our visiting Cambodian missionary friend to Laos to

speak in our Saturday Bible study in

O'reang and in our Sunday service in Senmonorom.

Praise God for the souls who heard the Gospel and accepted Christ as their Savior! Please pray that we

would be welcomed to **open a home Bible study** in the house of the **village chief** in Purang, O'reang.

Let us keep investing in the lives of our youth!

On April 15 to 17, during Khmer New Year, four of our young people, including three ladies and Francis, were able to join the **first Youth Camp** in Sihanouk, a coastal area in the southwest of Cambodia, which is around 500

km away from Senmonorom. It was attended by 53 campers from 6 fellowshiping Baptist churches here in Cambodia and was a good time for young people to meet Christians from other

places, study God's word, hear testimonies, and have fun in team building and playing games. We

are praying that more of our students would be able to join next year,

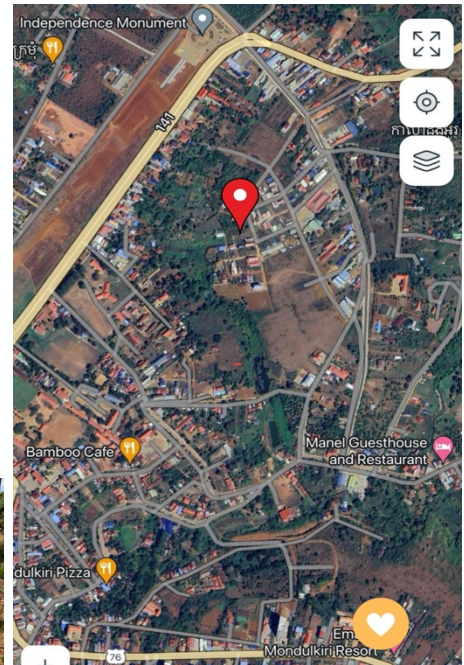

especially our young men. Please pray also for our

new Bible study starting this May in the family of **Lekhena**, one of our campers and English students in Senmonorom.

Let us keep trusting the Lord for provision!

Truly God is good and faithful. He knows what we need and He has His way of supplying it. We have been praying to buy the 100 square-meter lot property in Senmonorom town that costs \$14,500, until the owner of the land,

upon knowing that we are helping the community with our free English classes, offered a better option: 212 square meters in the same area for \$19,300! Yes, land is expensive here but after a year of asking around, it was so far the best deal we had. Praise God because as of April 29, we have raised **41% (\$8,000)** of what we need. Please continue praying with us as we trust the Lord to give the remaining **\$11,300** to be able to pay the land in full.

Thank you for taking the time to read our prayer letter and for praying for my family and the ministry that God has placed us in. God bless you!

Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, unto him be glory in the church by Christ Jesus throughout all ages, world without end. Amen.
- Ephesians 3:20-21

Grateful for your faithful partnership with us,
Rilson, Lily, and Francis
