

# Rio Grande do Sul natural disaster

13 de maio de 2024|Monthly updates

Probably you have seen in the news about the terrible flooding happening in the southern state in Brazil called Rio Grande do Sul. Where 143 people died that we know about, 806 injured, at least 131 people haven't been found yet, and millions being affected by this natural disaster.

We at Brazil River of Life are helping with resources as food, clothes, and toiletries. We will continue to pray and help them. Also, a lot of private institutions and churches have been helping them across the globe. This is essential for a state that only has 1.5% of Christians. For a State where there is a tremendous number of people who practice black magic and Afro-Brazilian religions. Also, the people in the state of Rio Grande do Sul are called gaúchos and they are prideful people.

With all this being said, we want to continue to help them with resources and most importantly we pray that this can be an opportunity for us to continue to show the love of Christ and share Jesus with them. We at Brazil River of Life Ministries are preparing pastors and leaders through the Hands-on Bible College, so we can plan churches in states as Rio Grande do Sul, so we can spread the Good News of Jesus and see their lives be transformed by our Triune God.

Please keep praying for the people being affected by the flooding and during this time of hardship they can find true peace in Jesus by giving their lives to the Triune God. If you want to help, please keep praying for them to have an encounter with Jesus. We have seen God move during this time. In addition, if you want to help financially you can send a special gift by Check or Bill Pay at P.O. **Prayer**

Please be praying for our missionaries in Mozambique, because of the terrorist attacks happening in the last few months. In some regions, they have burned houses and forced families to dislocate. They have burned a few church buildings as well. Please be praying for the missionaries in northern Mozambique and the faithful believers.
