

The Spring and Summer of 24'

Last week, we finished the spring semester at Campus House and celebrated a few of our graduates! We had a good semester full of discussions of faith and time well spent in the community. We are now entering our summer semester, moving from a variety of weekly activities to a milder routine that includes welcoming incoming students at the university's orientation sessions, investing in the youth at Camp ACC and local churches, preparing the Campus House for continued use, and initiating weekly Bible conversations.

We spent the spring semester studying the books of Philippians and Colossians as a large group and had many small groups that looked into identity, important works from the church, and different women from the books of Luke and Acts. We shared meals with many of you on Tuesday afternoons and spent Friday nights spending time in an intentional community. We also spent spring break serving at Community Servants, a refugee ministry in Smyrna, Tennessee.

This summer marks the beginning of a transitional season for Campus House. Our International Student Minister, Rachael, graduated with her Master of Divinity this spring and will be leaving Campus House at the end of May. She'll be a chaplain at the VA this summer while she begins to pursue full-time ministry. She has loved our international students well and will be dearly missed by the Campus House community. Please join us in praying for Rachael as she moves into a new phase of life and for who will be joining Campus House in her place.

Mike is also entering his final school year at Campus House. He has faithfully served the ministry for the past 25 years and will transition into a new season next summer. Our board has begun the process of looking for his successor and will begin taking applications through the summer.

As we look to the beginning of the next school year, we are excited and hopeful. We will have our annual Ice Cream Party on August 25th at 8 p.m. The enclosed postcard may serve as a reminder for prayer or you may pass it on to a student who is bound for ETSU in the future. Let us know how best we can invite students you know to our activities.

His peace,
Mike, Emma, and Rachael
