Spring 2026

## Ministry Overview

We hope this letter finds you doing well and pressing forward in the work of the Lord. One of the greatest blessings of this season has been our transition to Calvary Baptist Church in Chesnee, South Carolina. The Lord made it clear that this was where He was leading our family, and we are grateful for the love and support of Pastor and the church family. In a very special moment, the very day we joined the church, they also sent us out as missionaries, affirming the calling God has placed on our lives. We do not take that lightly, and we are thankful to be sent out from a church that has a heart for missions. recognizing the burden God had already placed on our hearts for missions.

## A Growing Ministry

Since the official launch of the platform MissionaryConnect.app in August 2025, the Lord has allowed over 100 churches to begin using the platform. It has been a blessing to watch churches catch the vision of keeping their missionaries visible before their people.

In addition, there are now nearly 3,000 missionaries represented in the MissionaryConnect secure database. This is a clear reminder of how great the harvest truly is and how important it is for churches to stay connected and engaged.

## On the Road and in the Pulpit

These past few months have been full of travel and ministry opportunities. The Lord has allowed me to preach 12 times in churches, sharing the burden for missions and encouraging believers in the work of the Great Commission.

As a family, we have traveled over 9,000 miles since January. We are thankful for safety on the road and for every opportunity to present the ministry and meet God's people across the country.

**"Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest." Matthew 9:38**

## Strengthening the Platform

Much of our time has also been spent continuing to build and refine MissionaryConnect.app. We are working to make the platform more effective for both churches and missionaries by:

- Improving usability and accessibility
- Enhancing missionary profiles with media and updates
- Simplifying how churches manage their missionaries
- Making it easier for members to stay engaged in prayer and support

## WZYN 2026 Jubilee

One of the highlights of this season was being part of the 2026 WZYN Jubilee. God allowed our family to be involved in a special way.

During this time, we partnered with WZYN to develop, design, and run a Facebook campaign that reached over 560,000 views in just 28 days. It was exciting to see how the Lord used digital outreach to help promote the event and expand its reach.

## Personal Note

We are truly grateful for God's hand on our family. He continues to give strength, direction, and encouragement as we serve Him together. Your prayers for us are felt and appreciated more than words can express.

## Prayer Requests

If you would, please help us pray for the following:

- Continued wisdom as we develop and grow MissionaryConnect
- Open doors with pastors and churches
- More missionaries engaging with the platform
- Safety in travel and strength for the work
- God's provision for every need
